Who We Are

GlobalGo — 株式会社グローバルゴー — is a Fukuoka-based international business and education firm operating across five disciplines: international education, business development, import/export, international real estate, and study & work abroad.

Founded in 2014, we connect Japan with the world through deep local expertise, bilingual delivery, and a relentless focus on results over process.

Brand Positioning

EN

"The most trusted partner for businesses and individuals navigating the space between Japan and the world."

JP

「日本と世界をつなぐ空間において、企業と個人が最も信頼するパートナー。」

Mission / ミッション

To make global opportunity accessible — removing barriers of language, regulation, and distance for every client we serve.

言語・規制・距離の壁を取り除き、すべてのクライアントにグローバルな機会を届ける。

Vision / ビジョン

A world where any Japanese company or individual can operate globally with the same confidence as they do at home.

すべての日本企業・個人が、国内と同じ自信をもってグローバルに活動できる世界。

Values / バリュー

→ Precision over volume

→ Bilingual by default

→ Action over advice

→ Earned trust, not assumed

The Logo

The GlobalGo logo consists of two elements: the **logomark** (the stylized G/globe symbol in crimson red) and the **wordmark** ("GlobalGo" in bold charcoal).

Always use the approved logo files. Never recreate, redraw, or alter the logo in any way.

承認済みのロゴファイルのみを使用してください。ロゴを再作成・再描画・改変することは禁止されています。

LOGO CLEAR SPACE

Maintain clear space around the logo equal to the height of the "G" in the logomark on all sides. Never crowd the logo with other elements.

Dashed area = minimum clear space

Always ensure strong contrast. Avoid patterned backgrounds.

Don't separate elements

Never use the logomark without the wordmark (except at very small sizes).

Don't rotate

The logo must always be horizontal and upright.
